

# 19<sup>th</sup> International Conference **ELASTOMERS 2026**

***Connected with rubber – elastomers today and tomorrow***

Warsaw, May 27-29, 2026

## **First announcement**

We invite you to the **19<sup>th</sup> International Conference ELASTOMERY 2026**, which will be held on May 27–29, 2026, at the ADN Conference Center in Warsaw, 56 Grzybowska Street.

**Organizer:** Łukasiewicz Research Network – Institute of Polymer Materials (Łukasiewicz – IMPiB).

**Co-organizer:** Lodz University of Technology, Faculty of Chemistry, Institute of Polymer and Dye Technology.

**Conference languages:** Polish and/or English with simultaneous interpretation.

**Presentation formats:** plenary lecture (45 min), lecture (30 min), communication (15 min), poster (70 cm × 100 cm).

### **Additionally:**

- “Science for Industry” discussion panel,
- online popular science session.

### **Main topics:**

- Elastomers/rubber – Prospects – Innovations
- Physicochemistry and modification of elastomers
- Fillers – reinforcement and cross-linking
- Degradation and stabilization of elastomers
- Rubber and elastomer composites. Technological processes
- Research on raw materials and rubber products
- Devulcanization and recycling of rubber waste
- Sustainable development of the rubber industry

### **Contact:**

Łukasiewicz Research Network – Institute of Polymer Materials,  
Elastomer and Rubber Center, 05-820 Piastów, 30 Harcerska Street, phone +48 22 723 60 20
